

Food Security

Food Security is becoming an increasingly important issue across the Western US. Join fellow Rotarians and community members to learn about current efforts and best practices to increase food security, reduce food waste, and prepare for a changing future in agriculture in our communities and around the world.

People of Action Summit – Food Security
Boise, Idaho
July 30, 2022

Register Now!

You'll have the chance to connect with other Rotarians and leaders who are addressing these issues, and have an opportunity to replicate existing efforts, or work with other attendees to build new models that you can take home to address the critical issue of Food Security.

Registration: \$75 In-Person | \$50 Virtual
